

WATER NIBS

FEATURES & BENEFITS

- Carpet covered, rubber reinforced nibs scrape debris and pull moisture away from shoes
- Dirt and water are trapped by rubber reinforced polypropylene carpet ridges
- 100% rubber backing for maximum durability
- Recommended as an indoor mat, but substitutes as an outdoor mat in warm to moderate climates
- Simple to clean, just vacuum or hose off
- Not recommended for use in areas exposed to grease or petroleum products. Passes flammability standards DOCFFI-70
